PEDESTAL TABLETOP GRILL

Model #
9210.4.181
\$117.90 plus tax

Key Features

With its thermostatic control and 1500-watt, UL and CUL-listed heating element, this grill plugs into any standard household outlet. A handy grease cup sets on the back of the pedestal base to catch grease for gravy and easier cleanup.

Specifications

- 164 square inches of cooking space
- 1500-watt, UL and CUL-listed heating element
- Unit assembled dimensions: 13.75"H x 15" W x 24.5"D
- Weight: 15 lbs.
- Carton dimensions 13"H x 23" W x 9"D
- Carton weight: 15.22 lbs.

Key Features

With three heating positions, this grill is capable of (1) creating a zone of even heat for traditional grilling, (2) creating a versatile zone of different temperatures for cooking medium, rare and well-done simultaneously and (3) converting to a fully vertical position for rotisserie grilling (rotisserie sold separately).

Specifications

- 200 square inches of cooking space
- Three-position cooking element
- 1500-watt, UL and CUL-listed heating element
- Unit assembled dimensions: 17"H x 28" W x 16"D
- Weight: 26 lbs.
- Carton dimensions 18"H x 29" W x 16"D
- Carton weight: 27 lbs.

DELUXE TABLETOP GRILL W/ ROTISSERIE & WINDOW

Model #
9309U8.181
\$192.75 plus tax

LOCK AND GO PORTABLE ELECTRIC GRILL BLACK OR RED

Model #
2120.4.111
2120.4.511
\$77.59 plus tax

Key features

With its interlocking hood and bowl and its large, stay-cool wooden handle to enhance portability, this is the most versatile grill on the market and the only one of its kind.

The high temperature powder paint and heavy-duty, pedestal base adds to its strength and durability.

Specifications

- 176 square inches of cooking space
- Portable
- 1500-watt UL and CUL-listed heating element
- Unit assembled dimensions: 16"H x 21" W x 20"D
- Weight: 12 lbs.
- Carton dimensions: 18"H x 17" W x 7"D
- Carton weight: 12.38 lbs.

DUEL FUEL RED

Model #
2130.4.511
\$83.12 plus tax

Key features

This versatile outdoor electric grill is ideal for any balcony, patio or deck. It easily transforms into a charcoal grill for tailgates, the beach or picnics. The 2-in-1 Wherever Grill combines the best qualities of charcoal and electric grills.

It features an interlocking hood and bowl and a large stay-cool wooden handle to enhance portability.

Its variable 1500-watt element is UL and CUL listed and will plug into any standard household outlet, and its double-hood vents provide better draft and temperature control.

Finished with high temperature powder paint and heavy-duty, reinforced steel legs, this grill is built to last and go wherever you want to go.

DUEL FUEL BLACK

Model # 2130.4.111
\$83.12 plus tax

Specifications
